

Front Elba Data Sheet

Factsheet –

Materials: Fronts Elba in K042 Alvaro slate effect in combination with Siena in L292M Indian red matt velvet AFP and worktop in K042 Alvaro slate effect

Planning features: System X5, cooking table with bar panel, panel system with oak elements

Description

People who want to enjoy life with their loved ones at the highest level rightly impose rigorous requirements on the appropriate ambience. This kitchen meets these requirements in all respects. Prepared dishes can be staged just as stylishly on the generously dimensioned cooking island with breakfast bar as the beautiful designer pieces in the recess below.

Moreover, awkwardly shaped kitchen appliances as well as tableware are accommodated in the cupboard with a glass roller-shutter. The recess panel with oak elements provides additional storage space; it is visually appealing and provides quick access to kitchen aids. Even the food processor has its own pull-out shelf in the tall unit – so that even this space is perfectly utilised. What's more, the elegant, filigree pendent light above the dining table can be dimmed as desired to create a pleasant atmosphere in the room.

Material Description

Elba | laminated front, available in 5 decors

Durable fronts with high-quality melamine resin-coated. Available in Concrete quartz grey effect, Concrete white grey effect, Concrete anthracite effect, Slate sand effect and Alvaro slate effect.

Front thickness: 19 mm

Schüller LIVING | solutions for the whole living space

For many people, the home is the centre of life. Therefore, you should design it in a way that allows you to enjoy life there individually. For this purpose, Schüller offers inspiration. The solutions for living-room storage units, sideboard, wardrobe, pantry and utility-room create homogenous furnishing concepts.
