

Front Elba Data sheet

Factsheet —

Materials: Front and worktop Elba in K020 Slate sand effect in combination with a sideboard in Siena L367M Sand yellow matt velvet AFP

Planning features: Visio shelf, sideboard, electrically assisted sink pull-out

Image description

Cosiness, right up to date: the harmonious combination of the Elba fronts in warm Slate sand effect goes perfectly with the sideboard in Sand yellow matt velvet AFP. Everything is open, inviting and modern. Perfectly integrated: the Visio shelves, which offer space for beautiful and useful items above the sideboard. This kitchen is as stylish as it is practical, just as modern lifestyle demands. Of course, this also applies to the electrically assisted sink pull-out and the ZigBee-enabled Emotions LEDs. Here, every detail is simply perfectly planned. So even city kitchens become a grand setting for a life you love to share.

Material description

Elba | Laminate front, available in 5 decors

Hard-wearing fronts with high-quality melamine resin coating. Available in concrete quartz grey effect, concrete white grey reproduction, concrete anthracite effect, Slate sand effect and Alvaro slate effect.

Front thickness: 19 mm

Siena | Matt velvet lacquer front, available in 28 colours

These haptically and visually convincing matt lacquer surfaces are produced using a water-based Dual Cure lacquer system with UV drying. This fulfils both ecological requirements and ensures high resilience.

The lacquer is applied to a high-quality wood-based panel with a special melamine coating and thick edges on 4 sides. 28 velvety matt lacquer front colour combinations from crystal white and crystal grey to deep blue and autumn red follow the trend of matt surfaces.

Front thickness: 20 mm

Further information

Cosy, open-plan layouts are in vogue. The sideboard ensures that the kitchen flows openly into the dining and living area. It feels at home in every living situation, is always there when storage space is needed and also fits perfectly into its surroundings visually - so it offers a wide range of options for individual design, whether through fronts or through the base frame. The Visio shelf is a beautiful addition: the elegant elements with frames in stainless steel or onyx black are ideal for displaying favourite pieces. The shelves can be perfectly coordinated with the rest of the design - creating an individual concept that makes you feel completely at home!

Social Media building blocks

Caption idea

The decor slate sand effect is both stylish and beautifully subtle, but somehow special with a discreet structure: the decor Slate sand effect. Its unique yet tranquil appearance offers innumerable mix and match options that add character to the kitchen.
